RULING ON ENTITLEMENT¹

On September 14, 2020, Nasser Abdulkadir filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that he suffered Guillain-Barré syndrome (“GBS”) as a result of an influenza (“flu”) vaccine that was administered to him on August 30, 2018. Petition at 2-3. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On April 8, 2022, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. Specifically, Respondent has concluded that “[P]etitioner has satisfied the criteria set forth in the Vaccine Injury Table (“Table”) and the Qualifications and Aids to Interpretation for

¹ Because this unpublished Ruling contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims’ website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Ruling will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

a flu/GBS Table injury.” *Id.* at 6. Respondent further agrees that Petitioner’s condition “has persisted for at least six months, and there is no alternative cause that explains his condition.” *Id.*

In view of Respondent’s position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
